ALLURE

B E R N H A R D T

A modern approach to neoclassicism, Allure finds inspiration in the forms and shapes of Regency and Louis XVI furnishings softened by subtle finishes on quartered white oak. A subdued palette of white and silver adds quiet beauty to a collection designed with remarkable attention to decorative detail, from friezes, fancy face tops and tapered legs capped in shiny metal ferrules to reeding, button tufting and clipped corners. Key pieces feature antiqued mirror insets with silver dusted bead overlays and a palatial poster bed is topped by delicate finials. Dining chairs add to the dressy mood, with quatrefoil and curved shapes, upholstered backs and classic profiles. Hardware is simple, adding a hint of shimmer in a Silver Mist finish. The collection feels familiar, highlighting the splendor of formal silhouettes, but Allure is softer and little more understated, with a fresh, effortless glamour.
