SOHO LUXE

BERNHARDT

Looking for classic refinement with a dash of contemporary style? Enter Soho Luxe, Bernhardt's latest furniture collection. Glamorous in style but eclectic in spirit, this collection possesses a sophisticated elegance that is tempered by influences from around the globe. While sleek lines showcase Soho Luxe's urban appeal, a mix of clear acrylic, Greek key elements, Asian-influenced details and fretwork patterns instill a more eclectic feel. Ash burl veneers offer another unique facet, as their swirling, twisting grains are finished in Dark Caramel. Metal and mirror are also prevalent here with a combination of polished brass, polished stainless steel and beveled mirror bringing brightness to pieces. Rounding out the collection is hardware in bright silver, brass and acrylic featuring shapes inspired by fine jewelry. No matter how fashionable your aspirations, your furniture should walk the fine line between being on trend and truly timeless. With Soho Luxe you're set for today, as well as tomorrow.

SIGNATURE ELEMENTS

INSPIRATION

Soho Luxe is a glamorous transitional collection, one that balances a sense of sophisticated elegance with a slightly eclectic vibe. There is also a liveliness and brightness in forms and materials clearly evident throughout the collection.

ARTISTRY

Clean forms add to the collection's urban appeal, while Greek key elements, Asian details and fretwork patterns infuse a more eclectic, global feel. While some pieces feel "found," others feel like polished classics.

ACCENTS

Polished stainless steel, brass, clear acrylic and mirror combine to create eye-catching accents for this luxurious collection. The use of multiple materials provides visual appeal, and brings brightness to pieces.

HARDWARE

Nickel-plated solid brass hardware comes in bright silver and brass finishes. Clear acrylic is also mixed in for interest. These materials and unique shapes give the collection's hardware a jewelry-like feel.

WOOD & FINISH

The twisting and turning grains found in ash burl veneers are normally utilized in more traditional collections, but they are used here in Soho Luxe with a rich, Dark Carmel finish and make a more contemporary impression. These veneers pair perfectly with the polished brass and stainless steel accents in the collection.

FABRICS

The fabrics in this group are much like the collection overall - an eclectic mix. There are a number of refined neutral covers. Then there are some nubby textural options and finally a striking diamond weave in wheat and orange.
